Subject: Kindly permission to organized Study Tour by Department of Physics

Respected sir,

Department of Physics organized Educational Study Tour of B.Sc. Second and Final Year students and decided to visit at "**Indian Institute of Chemical Technology, Hydrabad (CSIR-IICT, Hydrabad)** and **Birla Science Museum, Hydrabad**" From 4 Feb to 7 Feb 2024. The total number of teachers and students participated in this tour is **36** and **04**.

So kindly give the permission for the Tour.

I attached herewith the list of participated teachers and students for your kind Permission.

Thanking You

Subject: Request for Permission: College Educational Tour Visit

Respected Dr. D. Srinivasa Reddy Sir,

I hope this email finds you well. As a Principal of Shri. Dr. R. G. Rathod Arts & Science College Murtizapur. I am seeking your permission for a one-day educational tour visit that the Department of Physics of our college is planning.

The educational tour is scheduled for 05th Feb 2024, 12.00 PM onwards (For three hours) and it is an integral part of student's academic curriculum. The purpose of this tour is to provide students with practical exposure to industrial processes and other opportunities after undergraduate studies. We believe that this tour will significantly contribute to student's overall understanding of the subjects.

I would like to assure you that all necessary arrangements for transportation, supervision, and safety have been meticulously planned by our faculty members.

I understand the importance of your time and responsibilities; therefore, I assure you that the visit will be conducted with the utmost discipline and adherence to the college guidelines. Our students are committed to representing our institution in a positive light during this educational excursion.

I kindly request your approval and support for our one-day visit. Your permission will greatly enhance the educational experience for all participating students.

If you require any additional information or clarification regarding the tour, please feel free to contact us at 9529141725. I would be happy to provide any details you may need.

Thank you for considering our request. We look forward to your positive response.

Sincerely,

STUDY TOUR REPORT:

Visit to IICT Hyderabad and Birla Science Museum

Introduction:

Our study tour took us to two prominent scientific institutions in Hyderabad: The Indian Institute of Chemical Technology (IICT) Hyderabad and the Birla Science Museum Hyderabad. This report highlights our experiences and key learnings from the visit.

Visit to IICT Hyderabad:

At IICT Hyderabad, we were greeted with a warm welcome and given an overview of the institute's research areas and facilities. We had the opportunity to interact with leading scientists who shared insights into their ongoing projects and breakthroughs in the field of chemical sciences. The tour included visits to various labs where we witnessed cutting-edge research in action, ranging from organic synthesis to nanotechnology. We were impressed by the state-of-the-art equipment and the interdisciplinary approach to solving complex scientific challenges. The visit to IICT Hyderabad provided valuable insights into the world of chemical research and its applications in industry and society.

Visit to Birla Science Museum:

Our visit to the Birla Science Museum offered a different yet equally enriching experience. The museum's interactive exhibits and engaging displays captivated our attention from the moment we entered. We explored various branches of science, including physics, astronomy, and biology, through hands-on activities and multimedia presentations. Highlights of the visit included the planetarium show, where we journeyed through the cosmos, and the robotics section, where we learned about the latest advancements in automation and artificial intelligence. The museum's emphasis on making science accessible and fun left a lasting impression on us, inspiring curiosity and a deeper appreciation for the wonders of the natural world.

Conclusion:

In conclusion, our study tour to IICT Hyderabad and Birla Science Museum was both educational and enjoyable. We gained valuable insights into the world of scientific research at IICT Hyderabad and experienced the excitement of discovery at the Birla Science Museum. The tour broadened our perspectives and instilled in us a renewed enthusiasm for learning and exploring the frontiers of science. We are grateful for the opportunity to visit these esteemed institutions and look forward to applying the knowledge and inspiration gained from the experience in our academic and professional pursuits.

Study Tour Report

Session: 2023-24

Department of Physics organized the Educational Tour for the student of **B.Sc. II and B.Sc.-III (35 Student Participated)** year at the **IICT Hyderabad** on dated **05th Feb. 2024** and Birla **Science Museum** on dated **06th Feb. 2024** for motivating the students toward science and research. The details of the study tour report are as follows:

Visit to IICT Hyderabad and Birla Science Museum

Introduction:

As part of our organizing efforts, we facilitated a study tour to IICT Hyderabad and the Birla Science Museum, aiming to provide participants with a comprehensive learning experience in the field of science and technology. This report outlines the logistics, coordination efforts, and outcomes of the tour from the perspective of the organizing staff.

Logistics and Planning:

Prior to the tour, meticulous planning was undertaken to ensure smooth execution. This included arranging transportation, securing permissions for the visits, coordinating schedules with the institutions, and communicating essential information to the participants. We ensured that all logistical aspects, such as transportation arrangements and timing, were well-coordinated to optimize the participants' experience.

Visit to IICT Hyderabad:

During the visit to IICT Hyderabad, our role as organizing staff involved facilitating the tour, coordinating with institute representatives, and ensuring that participants had a structured and informative experience. We provided guidance throughout the visit, assisted in organizing group activities, and addressed any logistical issues that arose. Our goal was to create a conducive environment for learning and interaction between participants and the institute's faculty and researchers.

Visit to Birla Science Museum:

At the Birla Science Museum, our responsibilities included overseeing the logistics of the visit, managing entry procedures, and assisting participants in navigating the museum's exhibits. We facilitated group discussions, encouraged participation in interactive activities, and ensured that the visit aligned with the educational objectives of the tour. Our aim was to facilitate a memorable and engaging experience for all participants, fostering curiosity and exploration in the realm of science.

Outcome and Reflection:

The study tour to IICT Hyderabad and the Birla Science Museum was a resounding success, thanks to the collaborative efforts of the organizing staff. Participants expressed appreciation for the well-organized itinerary, informative sessions, and engaging activities. The tour provided valuable insights into scientific research and exploration, inspiring participants to pursue further learning and exploration in the field. As organizing staff, we are proud of our contributions to creating a meaningful and enriching experience for all involved.

Scanned with OKEN Scanner

Conclusion:

In conclusion, the organizing staff played a pivotal role in orchestrating a successful study tour to IICT Hyderabad and the Birla Science Museum. Through meticulous planning, coordination, and facilitation, we ensured that participants had a rewarding and educational experience. The tour served as a testament to the importance of effective organization and collaboration in creating impactful learning opportunities for participants. We look forward to future endeavours aimed at promoting science education and exploration.

INVITATION

To,
Miss. Pallavi Ravi Mane
At. Chikhali gate, Murtizapur

Miss. Pallavi Ravi Mane, we are delighted to extend to you a warm invitation as the esteemed recipient of the **Dr. C. V. Raman Award 2022-23** for being the top-performing B.Sc. III Year student in the field of Physics in the recent University examinations. Your exceptional academic achievements and dedication have truly set you apart.

Details of the award ceremony are as follows:

Event: **Dr. C. V. Raman Award Ceremony**
Date: **13/10/2023**
Time: **11:00 am**
Venue: **Seminar Hall**, *Shri. Dr. R. G. Rathod Arts and Science College Murtizapur.*

Your presence at this event is of great significance as it not only honour your outstanding performance but also serves as an inspiration to fellow students of our institute.

Notice: Online e-Seminars/e-Lectures for B. Sc. Students

Dear Students,

We hope this message finds you well. We are excited to announce a series of online seminars that have been arranged by the PHYSICS DEPARTMENT for B. Sc. Physics students. These seminars will provide you with an excellent opportunity to expand your knowledge, listen to experts in your field, and stay updated on the latest developments in your chosen discipline.

Details of the Online Seminars:

Date: Every Saturday, Session 2023-24.
Platform: [Online Platform/Link] (at Department of Physics)
Speaker(s): Esteemed faculty members (From National & International Institutes)
Topics: A diverse range of topics related to your B. Sc. Physics program

Agenda:

Each seminar will feature an engaging presentation to gain deeper insights into the subject matter. We encourage active participation from all attendees.

Benefits of Participating:

- *Enhance your knowledge and understanding of key topics in your field.*
- *Connect with professors, researchers, and experts.*
- *Prepare for future research or career opportunities.*

How to Join:

Link will be provided to you all on Whatsapp groups on every Sunday. We highly encourage all B. Sc. students to take advantage of these online seminars.

If you have any questions or need further information, please do not hesitate to contact Dr. A. S. Dive

We look forward to your active participation and making these online seminars/lectures a rewarding experience for all B. Sc. students.

NOTICE

Subject: Guest Lecture Activity

Dear B. Sc. Physics Students,

We are pleased to inform you about an upcoming Guest Lecture Activity scheduled to enrich your academic experience. This event is an excellent opportunity for you to gain insights from an esteemed expert in the field and broaden your understanding of physics-related topics.

Details of the Guest Lecture Activity are as follows:

Date: 13th Oct 2023

Time: 01.00 PM

Venue: Seminar Hall

Speaker: Dr. A. U. Bajpeyee (Asso. Prof. Dept. of Physics Narsamma College Amravati)

Topic: Global Wellbeing & Global Science

We encourage all B. Sc. Physics students to attend this event. The knowledge and insights gained from this lecture can significantly benefit your academic and career pursuits. Don't miss this opportunity to learn from a distinguished expert in the field. Your active participation in this guest lecture is highly encouraged. We look forward to seeing you there.

Guest Lecture Activity Report

Event Title: **Guest Lecture for B. Sc. Physics Students**

Date: **13th Oct 2023; Time: 01.00 to 02.00 PM**

Venue: **Seminar Hall**

Speaker: **Dr. A. U. Bajpeyee; Topic: Global Wellbeing & Global Science**

Introduction:

The Department of Physics organized a Guest Lecture Activity for the B. Sc. Physics students on [13th Oct 2023]. The guest lecture was aimed at enhancing the student's knowledge and providing them with insights into the latest developments in the field of physics.

Lecture Highlights:

The guest speaker Dr. A. U. Bajpeyee, delivered a captivating lecture on the topic "Global Wellbeing & Global Science" The lecture lasted for approximately [01 Hour] and covered a wide range of key concepts and current research trends in the field of Science.

Student Participation:

The B. Sc. Physics students actively engaged in the lecture, demonstrating their interest and enthusiasm.

Notice: One-Day Webinar on Postgraduate and Research Opportunities after Graduation

Dear B. Sc. Physics Students,

We are excited to announce a valuable opportunity for you to explore your academic and career prospects beyond your undergraduate studies. We are organizing a one-day webinar on "Postgraduate and Research Opportunities after Graduation," and we cordially invite you to participate.

Date: 01/10/2023; Sunday **Time: 12.00 PM to 01.00 PM**

Platform: Google Meet **(Install a Google meet App on your mobile phone before the meeting)**

During this informative session, you will have the chance to:

Gain insights into various postgraduate programs in Physics, Learn about the application process, admission requirements, and scholarships available for postgraduate studies. Discover the exciting research opportunities and projects available for physics graduates. Interact with current postgraduate students and professors who will share their experiences and offer guidance. Explore potential career paths in academia, research, industry, and more.

To register for the webinar, please click on the following link. https://forms.gle/3YYfTDH2pmNZW9418

We look forward to your active participation.

Event Title: Online Webinar on Postgraduate and Research Opportunities after B. Sc. Physics

Date: 01st Oct 2023; Time: 12.00 PM to 02.00 PM; Platform: Google Meet

Speakers:
Speaker: Dr. S. S. Kawar: Postgraduate opportunities after B. Sc. Physics
Speaker: Dr. A. S. Dive: Research opportunities after B. Sc. Physics

Introduction:
The Department of Physics organized an Online Webinar on **"Postgraduate and Research Opportunities after B. Sc. Physics"** to provide B. Sc. Physics students with comprehensive information and guidance on their academic and career prospects beyond their undergraduate studies. The webinar was conducted on 01/10/2023 via Google Meet and featured two distinguished speakers from the field.

Key Highlights:
1. Overview of Postgraduate Programs
2. Research Opportunities
3. Preparing for PG Entrance Exams
4. Scholarships and Funding Options
5. Career Paths in Physics

Q&A Session: The Q&A session was highly interactive, with students asking thoughtful questions related to admissions, research, and career choices.

Student Participation:
The webinar saw active participation from B. Sc. Physics students who showed a keen interest in exploring their postgraduate and research options.

The Department of Physics is committed to providing continuous support and guidance to its students as they embark on their educational and professional pursuits.

Report Physics Society – (2023-24)

The society came into existence on 13 October 2023, with the inaugural address delivered by **Dr. A. U. Baypayee**, an Associate Professor in the Department of Physics at **Narsamma Arts and Science College in Amravati, Dist. Amravati.** Dr. Baypayee presented a guest lecture on the topic of "**Global Wellbeing and Global Science**" during the event. **Miss. Nikata Kanoje**, a third-year B.Sc. student, was elected as the President of the Society, while **Miss. Gauri Lokhande**, a second-year B.Sc. student, assumed the role of Secretary for the Physics Society.

Within the Physics Society, **Miss. Pallavi R. Mane** received the prestigious **Dr. C. V. Raman -2023-24** award in recognition of her outstanding achievement in obtaining the highest percentage in the **University B.Sc. Examination 2022-23.** Additionally, several students were honored with certificates for their exceptional performance in quiz and seminar competitions organized by the department through the Physics Society.

Project Model Presentation Competition
Session: 2023-24

A **Project Model Presentation Competition** was held on [01/04/2024 and 13/04/2024] for the students of **B.Sc. III, Semester VI**. The event was organized with the objective of fostering creativity, encouraging research-oriented thinking, and providing a platform for students to showcase their innovative ideas in science and technology.

A total of **48 students participated** in the competition, presenting a diverse range of project models The models were evaluated based on parameters such as **originality, scientific relevance, practicality, clarity of presentation, and overall**.

The event began with an inaugural ceremony graced by Dr. S. S. kawar, Associate professor and Head Department of Physics who emphasized the importance of hands-on learning and interdisciplinary research in today's scientific world. The participants then showcased their projects, explaining their concepts and answering questions posed by the panel of judges.

Event Title: **Guest Lecture for B. Sc. Physics Students**

Date: **28th Feb 2024; Time: 12.00 to 01.00 PM**

Venue: **Department of Physics**

Speaker: **Dr. Ketan P. Gattu; Topic: The Magic of Nanotechnology: A Gateway to Limitless Opportunities**

Introduction:

The Department of Physics celebrates a national science day every year, and for that, the Guest Lecture Activity is organized for the B. Sc. Physics students on [28th Feb 2024]. The guest lecture was aimed at enhancing the student's knowledge and providing them with insights into the latest developments in the field of physics.

Lecture Highlights:

The guest speaker Dr. Ketan P. Gattu, delivered a captivating lecture via Zoom Meet on the topic " The Magic of Nanotechnology: A Gateway to Limitless Opportunities " The lecture lasted for approximately [01 Hour] and covered a wide range of key concepts and current research trends in the field of Science.

Student Participation:

The B. Sc. Physics students actively engaged in the lecture, demonstrating their interest and enthusiasm.

Dear Students,

We are excited to announce a Seminar Competition exclusively for B.Sc. students! This is a wonderful opportunity for you to showcase your knowledge and presentation skills on a topic of your choice within the scope of your B.Sc. program.

Details of the competition are as follows:

- Date: 07/10/2023
- Time: 02:30 PM
- Venue: SEMINAR HALL
- Registration Deadline: SEND YOUR NAME TO YOUR CLASS TEACHER UP TO 06/10/2023

Presentation Guidelines:

- Each participant will be given 7 minutes to present their seminar.
- Topics should be related to PHYSICS SUBJECT.
- Visual aids such as PowerPoint presentations are encouraged.

Subject: Permission letter for educational Visit of M.Sc and B.Sc (Chemistry) Students (50) to your science center on dated 23/01/2024at CSIR, National Environmental Engineering Research Centre& Raman Science Centre & Planetarium Nagpur.

Respected Sir

With due Respect, I am writing this letter to ask for permission to arrange an educational visit to Raman Science Centre & Planetarium &, National Environmental Engineering Research Centre, Nagpur.

This visit is very important for the students of Chemistry as they have to work on research projects in upcoming months and for that they need to visit different research centers as for extension activity.

So I request you, Kindly grand us approval on the date 23th January 2024 to visit both research Centre , Nagpur

We shall be really thankful to you.

Department of chemistry has been organized, Educational visit of M.Sc and B.Sc (Chemistry) Students at CSIR, National Environmental Engineering Research Centre & Raman Science Centre & Planetarium Nagpur on dated 23/01/2024.

All students of chemistry subject this; Educational visit has compulsory for your extension and Co- curricular activity and assign internal mark for this educational field work. All students collect no objection form from Mr. K.D. Nirde- Tour Incharge of our department and submitted before 20/01/2024 for permission of RTO for travelling agency and Ticket booking.

For this purposed your first meeting arrange all chemistry Subject students on dated 16/01/2014 at 3.00pm at room no2 and Second meeting at 22/01/2024 for information and preparation of visit at 3.00pm in room no 02.

Educational Tour Report

Our educational tour took us to a renowned research centre, providing students with a unique opportunity to delve into the world of cutting-edge scientific exploration. The visit aimed to supplement our classroom learning and foster a deeper understanding of research methodologies.

Purpose of the Tour:

The primary objective of the tour was to expose students to real-world applications of theoretical knowledge gained in the classroom. By visiting the research centre, students had the chance to witness the practical aspects of scientific research, understand the intricacies of experiments, and engage with professionals at the forefront of their respective fields.

Key Highlights:

1. Interactive Sessions:

- Engaging sessions were conducted by research experts, providing insights into ongoing projects and the significance of their work.
- Students had the opportunity to ask questions, fostering a dynamic and interactive learning environment.

2. Laboratory Experience:

- Participants were given hands-on experience in the research centre's laboratories, allowing them to apply theoretical concepts in practice.
- The practical sessions enhanced their skills in experimental techniques and data analysis.

3. Exhibits and Demonstrations:

- The research centre showcased various exhibits and demonstrations, illustrating the impact of scientific advancements on diverse industries.
- Students witnessed prototype models, experiments in progress, and state-of-the-art equipment.

4. Networking Opportunities:

- Students had the chance to interact with researchers, fostering connections that may prove beneficial for future academic and professional endeavours.

Educational Benefits:

The educational tour provided several tangible benefits to the participating students:

- Practical Application: Students gained a practical understanding of how theoretical concepts are translated into real-world applications.
- Inspiration: Exposure to ground breaking research inspired students to pursue careers in scientific fields and contributed to their personal and academic growth.
- Career Insights: Interactions with professionals offered valuable insights into potential career paths and opportunities within the research community.

Conclusion:

The education tour to the research centre proved to be a resounding success, bridging the gap between theoretical knowledge and practical application. Students returned with a newfound enthusiasm for their studies and a deeper appreciation for the importance of research in advancing knowledge. Such experiential learning opportunities play a pivotal role in shaping well-rounded and informed individuals ready to contribute to the ever-evolving world of science and technology.

Dear Sir,

This has reference to your letter dtd. 16th January, 2024 regarding the visit of 50 M.Sc & B.Sc Chemistry students and 4 Faculty Members to CSIR-NEERI. The students may visit CSIR-NEERI on 23rd January, 2024 between 2.30 pm to 5.30 pm.

Programme

02.30 pm	CSIR-NEERI audio-visual
03.00 pm	Visit to Harit Sangrahalaya
03.30 pm	Visit to Air Pollution Control Division (APCD)
04.00 pm	Visit to Technology Park (CHWMD)
04.30 pm	Visit to Water Technology & Management Division (WTMD)

Thanks and with regards,

Yours sincerely

Subject: Permission letter for educational Visit of M.Sc and B.Sc (Chemistry) Students (50) to your science center on dated 23/01/2024.

Respected Sir

With due Respect, I am writing this letter to ask for permission to arrange an education visit to National Environmental Engineering Research, Nagpur.

This visit is very important for the students of Chemistry as they have to work on research projects in upcoming months and for that they need to visit different research centers as for extension activity.

So I request you, Kindly grand us approval on the date 23th January 2024 to visit National Environmental Engineering Research, Nagpur

We shall be really thankful to you.

Bridge Course Syllabus

1. Inorganic Chemistry

1.Periodic Table

Introduction of S Block, P Block, D Block, F Block Elements

2.Atomic structure

Atomic orbitals and concept of atomic orbitals, shaped of s, p and d orbitals, Pauli's exclusion principle, Hund's rule of maximum multiplicity, Aufbau principle, electronic configuration of elements up to atomic number 20.

3. Introduction to chemical bonding

Types of chemical bonds with suitable examples, Hydrogen bonding- inter and intramolecular hydrogen bonding, abnormal behavior of water molecule

2. Organic Chemistry

1 Introduction to Organic chemistry

Importance of organic chemistry, general classification of organic compounds, -Homologous series, functional groups, IUPAC nomenclature of organic compounds (Alkanes, alkenes, alkynes, alcohols, aldehydes, ketones, ethers, acids, esters, amines)

3. Physical Chemistry

1.Chemical Kinetics and Surface Chemistry

Rate of chemical reaction- Basic idea about collision theory of reaction- Arrhenius equation Adsorption vs Absorption-, adsorbent, adsorbate-types of adsorptions- Catalysis - homogeneous and heterogeneous, enzyme catalysis

2.Thermodynamics

Extensive and intensive thermodynamic properties – First and Second Laws of TD- Heat capacity and specific heat capacity

Bridge Course Objective

A bridge course for newly admitted students is conducted every year at the very beginning of the first semester for the students of science the prime intention behind this course is to be the gap between the subject studies at the pre university level subject and the program to which the student is admitted to this course attempts to help the admitted students to get acquired with the basic things related with the selected subject and increase their interest in the same. the course also helps concerned teacher to elevate the students to the next level up understanding of the subject

Objective

- To Prepare newly admitted students for degree Programme
- To bridge the gap between knowledge levels apparent in higher secondary and prescribed University curriculum
- To explain basic concepts in **chemistry** subject
- Increase the interest of students **in chemistry practical's as well as increase knowledge in chemistry**
- To help students get equipped with knowledge and confidence in the selected subject.

Duration

The Total Duration of this Bride Course is **7 Day**

1.Lithium and magnesium are _____ metals.
a) sponge b) hard c) soft d) smooth

2.Which of the following element has the smallest size in its group?
a) sodium b) rubidium c) potassium d) lithium

3.How many blocks present in periodic table
a)3 b) 4 c) 5 d) 2

4.How many elements present in periodic table
a) 120 b) 118 c) 125 d) 250

5. ..... is the most electronegative element in periodic table
a) Bromine b) Carbon c) Florine d) oxygen

6.Nobel gases present.....block.
a) S-Block b) P-Block c) D-Block d) F-Block

7. How many elements present in S-Block
a) 12 b) 13 c) 14 d) 15

8. How many electrons can occupy a single energy level in an atom according to the Pauli Exclusion Principle?
a) 3 b) 4 c) 2 d) None of these

9.Pauli Exclusion Principle applies to which type of particles?
a) Photons b) Neutrons c) Electrons d) Protons

10. What is the shape of S-Orbital
a) Dumble b) Spherical c) Ovel d) None of these

11.What is the valency of carbon
a) 3 b) 2 c) 4 d) None of these

12.Which Functional group present in given structure RCOOR'.
a) Phenol b) Ester c) Acid d) None of these

13.Aliphatic -OH is known as .....

a) Alcohol b) Ester c) Acid d) None of these

14. Mixing and recasting of atomic orbital is called as……..

a) Hybridization b) organic reaction c) Acid & base d) None of these

15.Hydrocarbons are organic compounds with element _____

a) Both hydrogen and carbon b) Carbon c) Hydrogen d) Oxygen

16. Which of the following is not a class of organic compounds?

a) Amides b) Electro compounds c) Nitro compound d) Carbonyl compound

17.Ph of water is

a) Basic b) Acidic c) Neutral d) None of these

18.Acid range of Ph is

a) 7 to 14 b) 1 to 7 c) both a & b d) None of these

19. In periodic table F block contains ……Element

a) Lanthanides & Actinides b) Alkali c) Nobel Gas d) None of these

20.In stable organic compounds, carbon will always form..

a) 2-Bond b) 4-Bond c) 6-Bond d) 3-Bond

Subject: - Regarding permission to conduct Certificate Course On "Chemical Handling and Laboratory Safety"

Respected Sir,

The department of chemistry is going to organise two-week **Certificate Course On "Chemical Handling and Laboratory Safety"** on dated **20/10/2023 to 04/11/2023**. All UG and PG students will participate in this certificate course. The mode of lecture is online. I request you to please grant the permission.

Date: 13/10/2023

Thanking You

Mr. V. R. Shrikhande
Coordinator

Brief Report on

Certificate Course On "Chemical Handling and Laboratory Safety"

Name of Department:	Chemistry
Date & Time:	20/10/2023 to 04/11/2023 12.00-2.00 pm
Venue:	Department of Chemistry

Objective of the Event:

- To impart the required knowledge of various most commonly used chemicals and apparatus.
- To impart necessary skills to handle hazardous chemicals.
- Theoretical knowledge of instruments used in laboratory.
- Practical knowledge of instruments used in laboratory.
- To operate and to maintain the laboratory equipment's.
- Instrumentation, Calibration and their practical applications.
- How to handle the emergency while working in laboratory.

Brief information about the event:

Department of Chemistry has arranged two-week **Certificate Course On "Chemical Handling and Laboratory Safety"** on dated **20 October 2023 to 04 November 2023**. We got a good response of students from different college. The course covered basic chemistry laboratory techniques like physical instruments, glassware in the laboratory, Mathematical calculations in analysis, Quality control management in laboratory, Principles of volumetric, gravimetric analysis, Safety and precautions in laboratory, during instruction, students showed interest in knowing about MSDS, safety measure in lab. Finally, the course succeeds in making students industry ready. On behalf of the organizing committee, we congratulate to all the students who actively participated in the certificate course and certificate will be issue to all participants.

About Society

Shri. Govindsing Rathod Shikshan Prasarak Mandal, Dahatonda, is the leading multipurpose educational society of the Murtizapur Taluka of Akola District (Maharashtra). This society institution was registered as a public charitable trust (R. No. MH–234 Akola) in 1969. Late Shri. Dr. Ramsing Govindsing Rathod, a well-known persona and renowned general physician from Murtizapur Taluka, was the founder president. Under the aegis of this society, currently, different nine educational units are running, including primary schools, secondary schools, higher secondary schools, residential high schools, boys and girls hostels, a junior college, and a degree college. Since its inception, our parent education society has served the community and worked tirelessly for the upliftment of backward students in this area.

About the Institution

Shri. Dr. R. G. Rathod Arts & Science College, Murtizapur, Dist. Akola was established in 2001 by Shri Govindsing Rathod Shikshan Prasarak Mandal, Dahatonda, under the able guidance of a great idealistic personality, Late. Dr. Ramsing Govindsing Rathod, then a well-known Doctor of Murtizapur city and founder president of the parent society. Considering, the then scenario of education in the area, our college was established with Arts (humanities) and science (science and technology) faculties. In 2010, the government of Maharashtra gave full grants to all UG courses under the faculty of science and technology, while the subjects under the humanities faculty are allself-financed. Currently, the college is providing education at the undergraduate level in 11 subjects from the humanities faculty and six subjects from the Science and Technology faculty, along with postgraduate programmes in three subjects (Zoology, Chemistry, and Mathematics) and Ph.D. programmes in six subjects (Zoology, Botany, Chemistry, Physics, Mathematics, and Library and Information Science). The college has experienced and enthusiastic staff; in total, 27 qualified full-time teaching faculty members are working in the college, of which 10 are recognised as Ph.D. supervisors. The college has a beautiful, eco-friendly campus. The college has all the basic infrastructural facilities, including laboratories and ICT facilities. It has a well-developed computer centre and central library with a spacious reading room for students. The college also has a well-developed botanical garden with significant medicinal and ornamental plants. A huge playground and facilities for various outdoor and indoor games and sports are another uniqueness of the college. Since its establishment, the advancement of our college has been endlessly growing and serving the community. Since its beginning, the college has been committed to quality education. In its 1st NAAC assessment in 2014-15, the college scored a "B" grade with a CGPA of 2.63 and is marching ahead under the leadership of our President, Hon. Smt. Damyantitai Rathod, Secretary, Hon. Dr. Anil R. Rathod, and Principal, Dr. A. P. Charjan.

Vision

To, provide quality and value-based education to all student especially from backward classes and downtrodden girls and enhance their individual potential which could be utilized for better nation building.

Mission

- To offer excellent and invaluable service in the field of education to the poor and the backward class students of the society.
- To aim at the overall personality development of the students through extra and co-curricular activities, in tandem with various social and cultural organization.
- To Provide a platform to the students by giving them an opportunity to face all the challenges of a competitive world, with the utmost utilization of their potential in sports, athletics and other events.
- To undertake quality-related research studies, consultancy and Training programmes.

Specific objectives of the CHLS 2023-24

- To impart the required knowledge of various most commonly used chemicals and apparatus.
- To impart necessary skills to handle hazardous chemicals.
- Theoretical knowledge of instruments used in laboratory.
- Practical knowledge of instruments used in laboratory.
- To operate and to maintain the laboratory equipment's.
- Instrumentation, Calibration and their practical applications.
- How to handle the emergency while working in laboratory.

Expected outcome of CHLS 2023-24

- Familiar with the handling laboratory apparatus.
- Understand the nature and handling of chemicals.
- Familiar to various solvents used in laboratory and industry
- Precaution to be taken during handling of hazardous chemicals.
- How to carry out the organic synthesis.
- Confidence to handle instruments such as- pH meter, potentiometer, colorimeter, spectrophotometer etc.

Course Content

CS ChemOffice (Theoretical & Practical)

Module 1: Cambridge ChemDraw Ultra software (Theoretical & Practical)-14 hours

Topics to be covered:

- Introduction
- Download and installation process
- Drawing various chemical structures (acyclic, cyclic, aromatic, polycyclic, heterocyclic)
- Nomenclature generation & conversion of name into molecular structure
- Calculation of physical properties such as density, molecular weight, molecular formula, refractive index from structural formula.
- ^{1}H, ^{13}C NMR prediction from molecular structure
- Drawing structure of bigger molecules such as proteins, carbohydrates, and RNA/DNA, bio arts, use of templates

Learning outcomes:- After successful completion of this module candidate will be able to use Cambridge ChemDraw Ultra for generation, processing and calculation of physical/chemical properties of simple and complex molecules.

ACD/LABS (Theoretical & Practical)

Module 2: ACD ChemSketch software -06 hours

Topics to be covered:

- Introduction
- Download and installation process
- Drawing various chemical structures (acyclic, cyclic, aromatic, polycyclic, heterocyclic)
- Generation of name from structure & conversion of name into molecular structure
- Calculation of physical properties such as density, molecular weight, molecular formula, refractive index from structural formula.

Learning outcomes:- After successful completion of this module candidate will be able to use ACD ChemSketch for generation and processing of simple and complex chemical structures.

Module 3: ACD NMR Processor -10 hours

Topics to be covered:

- Accessing ^{1}H NMR files
- Peak Picking & labeling ^{1}H peaks
- Integration of selected peaks
- Identifying solvent peaks
- Calculating coupling contant
- Accessing ^{13}C NMR files
- Peak Picking & labeling ^{13}C peaks
- Distinguishing CH_2 & CH or CH_3 from DEPT
- Identifying quaternary carbon

Learning outcomes:- After successful completion of this module candidate will be able to use ACD NMR Processor for the analysis of proton and carbon NMR data for solving simple and complex chemical structures.

Salient features of certificate course:

- Theory and practical sessions as per curriculum
- Lectures include entire process of downloading and installation of this software.
- Hands on training on this software
- At end of course students will be able to use these open source software's independently for their work.
- Students can do the analysis of actual NMR files for molecular structure determination.
- *E*-certificates will be issued to the successful candidates

Who can apply:

M.Sc. (Chemistry) 1st & 2nd year students are eligible to apply for this course.

Number of seats-30

Structure (4 hours per week)

Content	Hours
Theory	10
Practical	20

Examination

Theory: 30 Marks (1 hour)

Practical: 20 Marks (2 hours)

Total: 50 Marks

Evaluation Process

The examination criteria for both theory and practical mode will be evaluated as per grade system

"A" Grade: 41-50 Marks
"B" Grade: 31-40 Marks
"C" Grade: 21-30 Marks

All successful candidates will be awarded with *E*-certificates.

Chemical Safety & chemical Awareness program

Importance -

- Lab and chemical safety is a major aspect of every lab based research and science class.
- Lab and chemical safety rules and symbols are needed so that researchers and students do not injure themselves or others working with them.
- Having careless behavior towards lab and chemical safety can cause severe consequences even death.

Objective –

At the end of the presentation the students shall be able to

- **Understand the importance of chemical safety.**
- **Interpret the chemical labels.**
- **Enumerate the physical Hazards.**
- **Enumerate the Health Hazards.**
- **Understand and implement method of self-protection while dealing with chemicals.**

Session 2023-24

Notice

Dear students, we are excited to announce a fun and **creative craft activity** taking place on **[15/03/2024] at [02;30 PM]** in [Department of chemistry]. This activity is open to all students and offers an opportunity to unleash your creativity while also contributing to sustainability efforts.

Activity Details:

During the craft activity, you will have the chance to explore various crafting projects using recycled and waste materials. From making colourful planters out of plastic bottles to weaving baskets from old newspapers, there will be something for everyone to enjoy. Get ready to turn ordinary items into extraordinary creations!

Benefits of Participating:

- Learn new crafting techniques
- Promote sustainability by repurposing waste materials
- Express your creativity in a fun and supportive environment
- Connect with fellow students who share similar interests

Don't miss out on this exciting opportunity to unleash your creativity and make a positive impact on the environment. We look forward to seeing you there!

Session 2023-24

Craft Activity Report: Utilizing Waste Materials

Introduction

The craft activity held on [01/03/2024] at [Department of chemistry] aimed to promote sustainability and creativity by utilizing waste materials in crafting projects. Organized by [Department of chemistry], the event encouraged participants to repurpose discarded items into beautiful and functional creations.

Craft Projects

The activity showcased a variety of craft projects that utilized waste materials in innovative ways. Some of the projects included:

1. Plastic Bottle Planters: Participants transformed empty plastic bottles into planters by cutting and decorating them with paints, markers, or decoupage techniques. These planters provided a sustainable alternative to traditional pots and helped reduce plastic waste.

2. Newspaper Basket Weaving: Old newspapers were repurposed into woven baskets using simple techniques like rolling and folding. These baskets served as stylish organizers for storing small items or as eco-friendly gift packaging.

3. Cardboard Sculptures: Participants used cardboard boxes and packaging materials to create sculptures and 3D artworks. By cutting, folding, and layering cardboard, they transformed waste into unique and visually appealing pieces of art.

4. Tin Can Lanterns: Empty tin cans were upcycled into decorative lanterns by punching holes in them to create intricate patterns. When illuminated with candles or LED lights, these lanterns added a cozy ambiance to indoor or outdoor spaces.

5. Fabric Scrap Quilting: Leftover fabric scraps were pieced together to make patchwork quilts or blankets. Participants learned basic quilting techniques to sew together the scraps, resulting in colourful and cozy textiles

Social Interaction and Engagement:

The craft activity fostered a sense of community and collaboration among participants. People shared ideas, helped each other troubleshoot challenges, and celebrated each other's creativity. The common goal of repurposing waste materials united participants in a meaningful and fulfilling endeavor.

Outcome and Feedback:

The craft activity was met with enthusiasm and appreciation from participants, who were delighted to discover the creative potential of waste materials. Many expressed a newfound awareness of the importance of waste reduction and pledged to incorporate more sustainable practices into their daily lives. Feedback indicated a desire for similar events in the future, highlighting the value of hands-on experiences in promoting environmental consciousness.

Conclusion:

In conclusion, the craft activity exemplified the transformative power of creativity and resourcefulness in addressing environmental challenges. By repurposing waste materials into valuable and aesthetically pleasing objects, participants demonstrated the potential for sustainable living through art and innovation. Such activities serve as catalysts for change, inspiring individuals and communities to rethink their relationship with waste and embrace more eco-friendly practices.

Group Discussion Repot

Objective of the activity

- Group discussion is an excellent technique to engage students in class discussions. They also provide opportunities for students to practice their communication skills.
- Conducting 'Group Discussion' help with proactive listening, which is a vital skill for academic achievement. By participating in group discussions, students are encouraged to listen carefully to what others say. They also learn how to follow directions and understand instructions.

Outcomes of the activity

- It improves student's thinking, listening and speaking skills.
- It also promotes student's confidence level.
- It is an effective tool in problem solving, decision making and personality assessment.
- Group Discussion skills may ensure academic success.

REPORT ON- Mind Map activity (2023-2024)

Date-26.10.2023

In order to increase the subject knowledge and interest Mind Map chart presentation is organized. The presentation was conducted on 26th October 2023 in seminar hall of Shri Dr. R. G. Rathod Arts Science College, Murtizapur at 2.00 pm. The programme was organized by Dept. of Chemistry. The HOD Dr. D. B. Dupare was the chairperson and Dr. S. V. Deshmukh and Mr. K. D. Nirde Incharge of B.Sc-I present for the programme. Certainly! Mind mapping is a versatile technique used for brainstorming, organizing thoughts, and visualizing information. When designing a Mind Map activity objectives and program report, you'll want to include details on the purpose, goals, methodology, outcomes, and any insights gained from the activity. 42 students participated in the programme. Here's a structured outline for such a report:

Mind Map Activity Objectives

1. Objectives

- Detailed explanation of the specific objectives of the Mind Map activity.
- How these objectives align with broader organizational or educational goals.

2. Outcomes

- Summary of the key findings or insights generated from the activity.
- Analysis of the Mind Maps created during the activity.
- Identification of common themes, ideas, or patterns.
- Any unexpected discoveries or observations.

3. Evaluation

- Assessment of the effectiveness of the Mind Map activity in achieving its objectives.

Introduction:

The Poster Competition for Students was held with the aim of fostering creativity, promoting academic engagement, and encouraging critical thinking among participants. The event provided a platform for students to showcase their research, ideas, and artistic abilities through visually appealing posters.

Participants:

The competition attracted enthusiastic participation from students across various disciplines and academic levels. Participants hailed from diverse backgrounds, contributing to the richness and variety of ideas presented during the event.

Judging Criteria:

The posters were evaluated based on several criteria including creativity, clarity of message, visual impact, adherence to theme, and overall presentation. A panel of esteemed judges meticulously reviewed each poster, considering both the content and the aesthetics.

Winners:

After careful deliberation, the judges selected the following winners:

1. First Place: Shabnam Saher Khan & Kashaf Anjun Khan, for their exceptional creativity, clarity of message, and innovative design.

2. Second Place: Ashwini mungne & Pooja Walekar, for their insightful analysis and impactful presentation.

Conclusion:

The Poster Competition for Students was a resounding success, showcasing the talent, creativity, and intellectual prowess of the participants. The event not only celebrated academic achievement but also fostered a spirit of collaboration, innovation, and lifelong learning among students. We extend our heartfelt congratulations to all the participants and winners, and we look forward to more enriching events in the future.

Seminar Competition Report

Introduction:

The Seminar Competition held **at [Department of chemistry] on [14/03/2024]** was a resounding success, attracting enthusiastic participation from students across various disciplines. The event aimed to provide a platform for students to demonstrate their research, presentation, and communication skills while engaging with peers and faculty members.

Participants and Presentations:

A 25 Students showcased their expertise and knowledge on topics spanning from technology and science to literature and social sciences. Each presentation was meticulously prepared and delivered, highlighting the dedication and passion of the participants.

Judging Process:

An esteemed panel of judges, comprised of faculty members, evaluated the presentations based on criteria such as content, delivery, clarity, and engagement. The judging process was fair and transparent, ensuring that each participant received constructive feedback to further enhance their skills.

Winners and Recognition:

After careful deliberation, the judges announced the winners who demonstrated exceptional proficiency in their respective presentations. Prize were awarded to the top performers, acknowledging their hard work and commitment to excellence.

Highlights and Learning Opportunities:

The Seminar Competition provided invaluable learning opportunities for both participants and attendees. It fostered intellectual exchange, encouraged critical thinking, and inspired innovation among the student community. Moreover, it served as a platform for networking and collaboration, facilitating interdisciplinary discussions and partnerships.

Winner Name: After careful deliberation, the judges selected the following winners:

1. **First Place:** Divya balu hajbe.
2. **Second Place:** Anisha satish raut

Conclusion:

In conclusion, the Seminar Competition was a resounding success, showcasing the talent, creativity, and intellectual curiosity of our students. We extend our heartfelt gratitude to all participants, judges, organizers, and attendees for their contributions in making this event a memorable and enriching experience. We look forward to future editions of the Seminar Competition, continuing to promote academic excellence and innovation within our institution.

Report

Title: Ozone Day Poster Competition Report

Introduction

" **Ozone Day Poster Competition** "was held on 27/10/2023 through Department of Chemistry at Shri. Dr. R. G. Rathod Art's & Science College Murtizapur. The Juries of this poster competition were Mr. V. R. Shrikhande & Mr. K. D. Nirde. This poster aimed to leverage art and creativity as powerful tools for environmental education, advocacy, and action.

The poster had the following key objectives:

The objective of an ozone day poster competition is typically to raise awareness about the importance of protecting the ozone layer and to encourage actions that contribute to its preservation. Participants are often asked to create posters that convey messages about the significance of the ozone layer, the impact of ozone depletion on the environment and human health, and the measures individuals can take to reduce ozone-depleting substances.

Outcomes:

The outcome of an ozone day poster competition is to contribute to the global efforts to protect the ozone layer and mitigate climate change by raising awareness, educating, and inspiring action.

Conclusion

In conclusion, the ozone day poster competition serves as a significant platform for raising awareness, fostering creativity, and inspiring action to protect the ozone layer and combat ozone depletion. Through the creation and display of compelling posters, participants and viewers alike are educated about the importance of the ozone layer, the threats it faces, and the actions needed to preserve it. The competition not only showcases the artistic talents of individuals but also amplifies messages of environmental conservation and sustainability to a wider audience. By mobilizing communities and advocating for positive change, the competition contributes to collective efforts aimed at safeguarding the ozone layer and ensuring a healthier planet for current and future generations. Ultimately, the ozone day poster competition serves as a reminder of our shared responsibility to protect the Earth's atmosphere and underscores the crucial role that each individual can play in preserving our environment.

Department of Mathematics

Annual Report (2023-24)

Department of Mathematics is one of the major department of Shri. Dr.R.G.Rathod Arts and Science college ,Murtizapur. The department offers UG and PG course in Mathematics. The research activities in Mathematics is also run by the department under the guidance of Dr. A.S.Nimkar. The department also conducted the some educational activities **(Online as well as offline)** during the session 2023-24 are highlighted as below-

Society Formation :-

For the session 2023-24 Mathematics society has been form under the guidance of Dr. A.S. Nimkar , Associate Professor & Head and Mr. A.O.Dhore , Assistant Professor of Department of Mathematics. The following students were nominated as office bearers of Mathematical society-

President :-	Ku.Achal Sunil Gawande
Vice – President:-	Ku.Poonam Anil Chavhan
Secretary: –	Mr.Pranav Pramod Atote
Joint – Secretary: –	Ku. Akansha Pramod Anbhore
Treasurer: –	Mr.Bhushan Jitendra Kathalkar
Member :-	Ku.Swati Manik Rakhonde
	Ku.Jayshri Subhashrao Tarone
	Mr.Gopal Vishnu Raut
	Moh.Mujahid Abdul Javed Mohammad

Inauguration Function :-

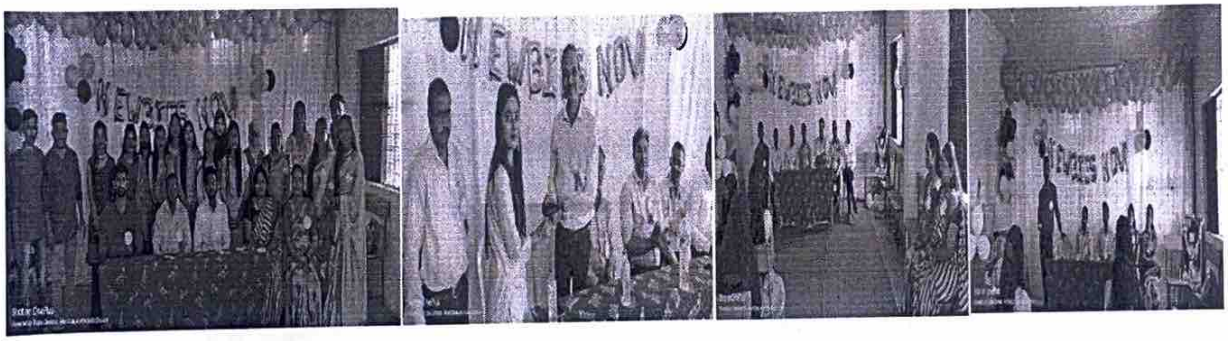
Inaugural function of Mathematics Society was held on 18/08/2023 .The society was inaugurated by the hands of Dr.A.P. Charjan , Principal of our College. Dr.A.S.Nimkar, Head of the Department gave the details about society. Begining of the programme Prof. In-charge Mr.A.O.Dhore declared the name of the office bearer of Mathematical Society for the year 2023-24.

Workshop on Competitive Exam :-

Department of Mathematics organized **workshop on competitive exam** on 26/09/2023 . Dr.R.B.Kalbande , Assi. Professor and Head , Department of Botany ,Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, Dist-Akola was Chairperson. Mr.N.P.Bhalerao department of Geography inaugurated the Workshop by lighting the traditional lamp and garlanding photo of Gadge Baba. Mr.C.B.Kale Mr.Milind Mamarde workers of Bajrang Gannesh Mandal , Dr.S.K.Shah, Head department of Marathi, Dr.S.S.Dhande , Dr.T.R.Tatte & Dr.P.R.Gulhane were chief guest. Dr.A.S.Nimkar , Co -ordinator of the function welcome all the guests and also gave in his introductory remarks informed about the motto behind the organization of the function. He give the details information about the social activities implemented through Bajrang Gannesh Mandal ,Sir also thanked the workers of Bajrang Mandal like Mr.C.B.Kale, Mr.Atul Tongase ,Mr. Prashant Mamarde etc for organizing the program for the college students. In the second session of workshop Mr.U.M.Bhade Coordinator of NSS & Dr. S.S.Dhande ,coordinator of Competitive Exam Guided the students .

For the programme, entire faculty of mathematics like Ms.Gauri Malani, Mr.A.B.Khokale , Ms.Vidya Sardar etc, non teaching staff and students were present in large number .Ms. Sakshi Umap conducted the proceeding of the programme and Ms.Urvashi Dhankani , student of M.Sc-II, Department of Mathematics , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, Dist-Akola proposed vote of Thanks. The whole staff in mathematics and students worked hard for the success of the programme.

Fresher Party :-



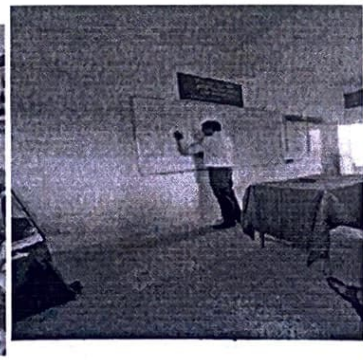
Department of Mathematics organized **Fresher party** on 12/10/2023 . Dr.A.S.Nimkar , Associate. Professor and Head , Department of Mathematics ,Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, Dist-Akola was Chairperson. Mr.J.D,Shende department of political Science inaugurated the Function by lighting the traditional lamp and garlanding photo of Sriniwas Ramanujan . Dr.Qayum Mujazid , department of Chemistry Dr.S.K.Shah, Head department of Marathi, Mr.D.H.Rathod ,Head Department of English were chief guest. Mr.A.O.Dhore , Co -ordinator of the function welcome all the guests and also gave in his introductory remarks informed about the motto behind the organization of the function. Head department of mathematics Dr.A.S.Nimkar in his speech convinced the students about the importance of fresher party and importance of mathematics by giving various examples. Chairperson Mr. G.D.Shende guided the students and wished them good luck for their future life.For the programme, entire faculty of mathematics like Ms.Gauri Malani, Mr.A.B.Khokale ,Ms.Vidya Sardar etc, non-teaching staff and students were present in large number .Ms. Sakshi Umap conducted the proceeding of the programme and Mr.Gopal Raut , student of M.Sc-II, Department of Mathematics , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, Dist-Akola proposed vote of Thanks. The whole staff in mathematics and students worked hard for the success of the programme.

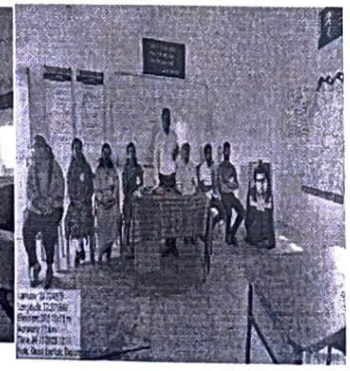
Workshop on Vedic Mathematics:-

Department of Mathematics , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, Dist-Akola organized **Online** National Workshop on Vedic Mathematics in Collaboration with Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) and R.D.I.K. & K.D. College, Badnera on Oct.11, 2023. Principal Dr.Dr.Y,B,Gandole Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) was chairperson. Dr. Shriram Chauthaiwale ,All India Convener Vedic Mathematics Shiksha Nyas,New Delhi was Resouce person . Dr,R.D.deshmukh Principal RDIK &KD college Badnera , Dr A.P.Charjan Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, Dist-Akola were the guests of Honour of the programme. Dr. S.N.Bayaskar, Associate professor & Head Department of Mathematics Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly), welcome all the guests and also gave in his introductory remarks informed about the motto behind the organization of the Workshop. Dr.Dr.Y,B,Gandole Principal, Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) in his presidential speech, praised for Mathematics Department for organizing Nationl level workshop on vedic Mathematics and also appealed to the students to take benefits of the guidance of great people who have attended the workshop. For the programme, The chief guest of the workshop, Dr.R.D.Deshmukh & Dr.A.P.Charjan congratulated the organizer and wished them all the best for the event.

In the second session of workshop Dr. Shriram Chauthaiwale ,All India Convener Vedic Mathematics Shiksha Nyas,New Delhi addressed on the topic Vedic mathematics and their divisibility test. For the programme, Dr. V.G.Mete, Dr.V.N.Mahalle , Dr.K.R.Wankhade ,Dr.A.S.Nimkar; Mr.A.O.Dhore. Mr.A.B.Khokale etc Teachers of different colleges as well as students of the different Colleges were present in large number on online . Ms. Vishwakarma conducted the proceeding of the programme and Dr.Rangari, proposed vote of Thanks. Total 300 students and Teacher participated for the programmer.

Guest Lecture :-





Department of Mathematics organized Guest Lecture on 06/11/2023 . Dr.Samadhan Munde , Assistant Professor department of Mathematics, RLTCollege, Akola inaugurated the Programme by lighting the traditional lamp and garlanding photo of goddess Sarswati. Principal of the college Dr.A.P.Charjan presided over the function.

Dr.A.S.Nimkar, Head department of Mathematics welcome all the guests and also gave in his introductory remarks about the motto behind the organization of the Programme .

Dr.Samadhan Munde share the information about many concept of Graph Theory. Ms. Gauree Malani conduct the function and Mr.A.O.Dhore proposed vote of thanks. All teaching ,non-teaching staffs and students of Mathematics was present for the programme.

Workshop on Research in Relativistic Cosmology (Under MoU)

Department of Mathematics , Shri. Dr. R. G. Rathod Arts & Science College, Murtizapur Dist. Akola. (MS) run by Shri. Govindsingh Rathod Shikshan Prasarak Mandal Dahatonda organized Workshop on Research in Relativistic Cosmology (Under MoU) in Collaboration with Bar.R.D.I.K. & K.D. College, Badnera ; Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) and Sipna College of Engineering and Technology, Amravati on Jan.10-11,2024. Dr A.P.Charjan Principal , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, was Chairperson. Dr.V.G.Mete Professor & Head, Department of Mathematics, Bar.RDIK & KD College Badnera inaugurated the Workshop by lighting the traditional lamp and garlanding photo of Srinivas Ramanujan. Dr.M.R.Ugale Professor , Department of Science and Humanities , Sipna College of Engineering and Technology, Amravati ; Dr.P.P.Khade Associate Professor and Head Department of Mathematics,Vidya Bharti Mahavidyalaya Amravati and Dr.S.N.Bayaskar ,Associate Professor & Head, Department of Mathematics Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) were chief guest on this occasion. Dr.A.S.Nimkar Associate Professor and Head ,Department of Mathematics , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur welcomed all the guests and also gave in his introductory remarks informed about the motto behind the organization of the Workshop. Addressing to his inaugural speech, Dr. V.G.Mete gave the information about mathematical Research. Dr. M.R.Ugale expressed in his speech gave the information about mathematical research and problems faced by students.Dr A.P.Charjan Principal , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur in his presidential speech explained the importance of research in mathematics.

He appreciated the all MoU Colleges for organizing the workshop on research in Relativistic Cosmology . He also expressed the wish organize this type of workshop every year for the welfare of the students.For the programme, Dr.P.P.Khade, Mr.Kiran Somwanshi ,Mr.Harshal Nimkar etc are supervisor as well as research

scholar and P.G.students from the department of the College were present in large number . Mr. Ashish .B.Khokale conducted the proceeding of the programme and Ms. Gauree Malani, Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, Dist-Akola proposed vote of Thanks.

In the session of key note address Dr. V.G.Mete addressed on the topic "Relativistic Cosmology". Also all the doubts raised by the students are dispelled after the address. After key note address lunch break was given to take taste of delicious food. After lunch break, Invited talk session was started in Mathematics department . Dr.M.R.Ugale Professor , Department of Science and Humanities , Sipna College of Engineering and Technology, Amravati addressed on the topic "Guideline of 2016 for Ph.D." In the lecture, she gave details information of Ph.D. guideline 2016 etc. Dr.S.N.Bayaskar , Associate Professor & Head, Department of Mathematics Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) was in the chair while Dr. P.P.khade,Mr.C.B.Kale,Mr.Kiran Somawanshi ,Ms.Gauri Malani etc were prominently present.

Work for Thesis Presentation Session :-In the first Presentation , Ms.S.B.Deshmukh explain the thesis work Dr.V.G.Mete Professor & Head, Department of Mathematics; Bar.RDIK & KD College Badnera ; Dr.P.P.Khade Associate Professor and Head Department of Mathematics,Vidya Bharti Mahavidyalaya Amravati chaired the session.

In the Second Presentation ,Ms.S.R.Hadole explain the thesis work Dr.M.R.Ugale Professor , Department of Science and Humanities , Sipna College of Engineering and Technology, Amravati and Dr.S.N.Bayaskar ,Associate Professor & Head, Department of Mathematics Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) chaired the session. **In invited Talk Session** Dr.P.P.Khade Associate Professor and Head Department of Mathematics,Vidya Bharti Mahavidyalaya Amravati Kinematical and Geometrical properties of cosmological model. Mr.A.O.Dhore ,Department of Mathematics,Shri.Dr.R.G.Rathod Arts and Science College ,Murtizapur ,chaied the session .In the Paper Presentation Session of first day of workshop, Mr. Kiran Somowanshi ,SSKR innani Mahavidyalaya Karanja Lad present the paper on the topic "Fundamental Tools of Relativity " and Mr.Harshal Nimkar . Dr.Rajendra Gode Institute of Technology & Research Amravati present the paper on the topic Ruban's Cosmological model , Dr.A.S.Nimkar was in chair. After closing the paper presentation session , all participants and guests enjoyed the tasted tea & biscuit.

Second Day:-

In second day of workshop (Jan.11,2024), after breakfast and tea the programme started in Mathematics Department . Dr.S.N.Bayaskar ,Associate Professor & Head, Department of Mathematics Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) delivered thoughtful talk on the topic 'How to Write Thesis' . Dr.A.S.Nimkar Associate Professor and Head ,Department of Mathematics , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur chaired the session while , Dr.M.R.Ugale , Mr.C.B.Kale , Ms.S.R.Hadole. Ms. Vrindra Deshmukh & all PG students of the department were Present.

In Work for Thesis Presentation Session ,

In the first Presentation , Ms.Vrinda Deshmukh explain the thesis work Dr.M.R.Ugale Professor , Department of Science and Humanities , Sipna College of Engineering and Technology, Amravati chaired the session.

In the Second Presentation ,Ms.J.S.Wath explain the thesis work Mr.C.B.Kale Amravati and Dr.S.N.Bayaskar ,Associate Professor & Head, Department of Mathematics Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) chaired the session.

In invited Talk Session Dr.A.S.Nimkar Associate Professor and Head Department of Mathematics, Shri.Dr.R.G.Rathod Arts and Science College ,Murtizapur gave the talk on Bianchi Type Cosmological Model Dr.M.R.Ugale ,chaied the session

In the Paper Presentation Session of Second day of workshop, Mr. A.O.Dhore Department of Mathematics, Shri.Dr.R.G.Rathod Arts and Science College ,Murtizapur present the paper on the topic Dark matter Cosmological Model . Mr.C.B.Kale ,Amravati chaied the session.

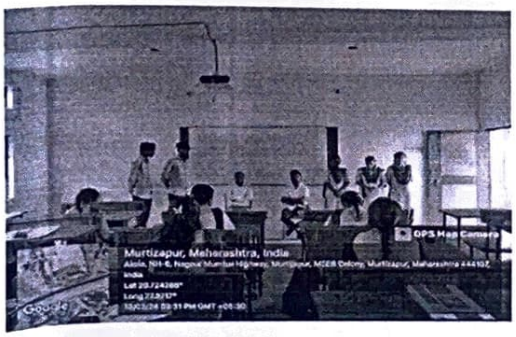
Valedictory Function:

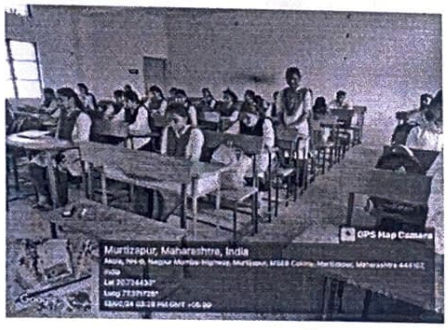
Valedictory function was over on January 11, 2024. Dr A.P.Charjan Principal , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, was Chairperson. Dr.M.R.Ugale,Dr.S.N.Bayaskar were the guests and Dr. A. S. Nimkar, convener of workshop were also present on the dais. Dr.A.P.Charjan , President of the function gave his presidential speech in which he also advised the students to go to the root of the research to develop interest in research. The chief guest of the function, Dr. M.R.Ugale and Dr.S.N.Bayaskar express his view about the workshop and satisfaction about the success of the workshop. Dr.A.S.nimkar Conver of the workshop , expressed thanks to all dignitaries and delegates who attended the workshop and share their valuable thoughts. Mr.A.B.Khokale, Department of Mathematics Murtizapur, conducted the proceeding while Mr.A.O.Dhore proposed vote of Thanks. All Teaching & Non-Teaching Staffs worked hard for the success of the workshop.

Ramanujan Competition of Mathematics Knowledge-2024

The competitive exam i.e. Ramanujan Competition of Mathematics Knowledge-2024 organized by Marathwada University was conducted in college on 11/ 02/2024 for B.Sc. & M.Sc. students through Department of Mathematics.Mr.A.O.Dhoe ,Assistant professor of mathematics Department taof the college worked hard for organizin  g the exam.

Group Discision :- A group discussion was organized in the college on the behalf of the mathematics department with a view to increase the knowledge of mathematics on 13/02/2024. BSc-III year students have participated in group discussion.Dr.A.S.Nimkar,Head Department of Mathematics and Mr.A.O.Dhore ,AssistanProfessor Department of Mathematics were present for the group discussion.





Project Submission & Viva :-

With a view to test the knowledge acquired by the P.G.students, Viva was organized by the department on 01/04/2024. The entire teaching staff from the department of mathematics were present for the viva.

ONE DAY STUDY TOUR/ EXCURSION AT CHIKHALDARA

REPORT (14 October 2023)

Excursions are arranged to give exposure to students. Field education is equally important as classroom teaching. It adds vigor in learning processes and relieves monotones of indoor education. essential part of Life science students best studied in their natural habitat. These tours also help to build good repo amongst students and teachers. As a part of B.Sc. Curriculum, one-day Study tour was organized by Department of Botany and Zoology, Shri. Dr. R. G. Rathod Arts & science college, Murtizapur Dist.-Akola. Botany & Zoology Students (UG) on Saturday 14 /10/2023 to visit at Chikhaldara. The tour comprised students of B.Sc. I and II (CBZ) accompanied by faculty members, Dr. P. M. Makode, Associate Professor and Head, Dept. of Zoology, Dr. R. P. Shirsat & Dr. P. R. Gulhane Assistant Professor, Dept. of Botany.

All the students were directed together at College at 7.00AM. Principal of the college Dr. A. P. Charjan sir wished all the students best and safe journey. We started our journey at 7.30 o'clock with "Dhanlakshmi Bus Service" and reached at 10 am. at the location with all 41 students (B.SC I & II year) along with faculty members

The study of plants begins with the exploration of surrounding open area at Chikhaldara to study plants in their wild habitat. Exploring flora and fauna, Street area along with great plant diversity, topiary and vertical gardens. We found this place very fruitful in order to study the plant diversity, animal diversity along with concepts of cryptogams and phanerogams. We have walked through the river side, at the waterfall, garden, exploring the flora and fauna. Students were made to identify the plants & insects with their scientific name, family, identifying characters along with their importance. Algae, bryophytes and lichens were collected for study of the algology, mycology study of the syllabus. Some of the flowering twigs have been collected for the study of the families in syllabus. Students have

observed various species of algae, lichens, Butterflies, spiders, insect and coffee plant garden. After the thorough visit, one-hour lunch break was taken and the whole team had a lunch in open garden along with the enjoyment of nature's beauty. Students collected photos of flora and fauna for herbarium preparation under the guidance. The trip successfully inculcated in students the practicality of different theoretical concepts of Botany and Zoology. It was a new, interesting and informative experience for all of us. We visited the river spot as well, in which all enjoyed by singing and dancing. Then, we took group photographs. We departed at 4:00 PM form Chikhaldara, we all had safe and enjoyable journey with lots of information.

WORK SHOP ON

'MUSHROOM CULTIVATION'

DATED ON- 29/12/2023

Certificate Course in Mushroom Cultivation – 2023-24

Department of Botany organized one day workshop on Mushroom Cultivation Dated on 19-12-2023.

Even Certificate program was conducted on Mushroom Cultivation for B.Sc. students. The main important objective beside the above mentioned program was that the students may establish their own business in future.

Title of the Practice: MUSHROOM CULTIVATION

1. Objectives of the Practice:
2. • To provide basic knowledge in cultivation of mushrooms.
3. • Able to grow mushrooms in a natural way.
4. • Sustainable use of resources.
5. • To promote self-employment.
6. • To provide practical experience on cultivation of mushrooms. 2. Learning Outcomes:
7. • Understanding the various aspects of cultivation.
8. • To learn different cropping patterns.
9. • To understand how to identify and sustainably manage pest and diseases and weed mushrooms.

- **Mushrooms are the fruiting bodies of macrofungi.**

They include both edible/medicinal and poisonous species. Mushroom cultivation can be a labour intensive activity. Therefore, it will serve as means of generating employment, particularly for rural women and youths in order to raise their social status. It will also provide additional work for the farmers during winter months when the farming schedule is light. Mushroom cultivation is a cash crop. The harvested fruiting bodies can be sold in local markets for additional family income or exported for an important source of foreign exchange that will definitely improve the economic standards of the people. Mushroom farming is both a science and an art. The science is developed through research the art is perfected through curiosity and practical experience. However, mushroom farming is a business which requires precision. Indeed, it is not as simple as what some people often loosely stipulate. It calls for adherence to precise procedures.

Materials used

1. Spawn ex: Pleurotus spp. (Oyster mushroom)
2. Paddy straw
3. Polythene bags
4. Formaldehyde
5. Water sprayers

1 st phase of practice

- Spawn source – **Shri Shivaji Agri, Biotech College, Amravati**
- Weight of the span - 2kg
- Cost of the span – 700
- Date of bag filling - 29.12.2023
- Duration of dark period – 1.5 months
- Observations – contamination and weeds observed.

Introduction –

This report describes session 2023-24 BSc III year V semester recent tour to Shahanur and aims is to assess the success of the tour in order to recommend it to the future year students of Shri. R. G. Rathod Arts and Science College, Murtizapur. The tour was held on the date 18th of October 2023 .The organizer of the tour Dr. R. B. Kalbande Sir, head and assistant professor of department of botany had been the real guider and show the perfect epitome of management and organization of the tours like these. As a supporter Dr. S. S. Dhande Sir, assistant professor at the department of zoology had show the great enthusiasm. The non teaching staff Mr. Anil Solanke Sir was readily available for the help of students.

The vision behind this tour was to bless the eye as well we to enhance the knowledge of the students about the biodiversity and the eye catching beauty of the nature situated in Melghat Tiger Reserve of the Maharashtra. Being the students of the Botany as well as Zoology students gain the lots of information about the flora as well as fauna that is conserve very well. The primary highlights of the tour was the much anticipated Jungle Safari, promising an up-close encounter with the wilderness.

Departure -

The day of the tour arrived at 18th of October 2023 with the little warm morning and arrival of the students in the college with the excitation of the tour at 7 : 30 am. Dr.M.R.Ugale Professor , Department of Science and Humanities , Sipna College of Engineering and Technology, Amravati ; Dr.P.P.Khade Associate Professor and Head Department of Mathematics,Vidya Bharti Mahavidyalaya Amravati and Dr.S.N.Bayaskar ,Associate Professor & Head, Department of Mathematics Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) were chief guest on this occasion. Dr.A.S.Nimkar Associate Professor and Head ,Department of Mathematics , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur welcomed all the guests and also gave in his introductory remarks informed about the motto behind the organization of the Workshop. Addressing to his inaugural speech, Dr. V.G.Mete gave the information about mathematical Research. Dr. M.R.Ugale expressed in his speech gave the information about mathematical research and problems faced by students.Dr A.P.Charjan Principal , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur in his presidential speech explained the importance of research in mathematics.

He appreciated the all MoU Colleges for organizing the workshop on research in Relativistic Cosmology . He also expressed the wish organize this type of workshop every year for the welfare of the students.For the programme, Dr.P.P.Khade, Mr.Kiran Somwanshi ,Mr.Harshal Nimkar etc are supervisor as well as research

scholar and P.G.students from the department of the College were present in large number . Mr. Ashish .B.Khokale conducted the proceeding of the programme and Ms. Gauree Malani, Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, Dist-Akola proposed vote of Thanks.

In the session of key note address Dr. V.G.Mete addressed on the topic "Relativistic Cosmology". Also all the doubts raised by the students are dispelled after the address. After key note address lunch break was given to take taste of delicious food. After lunch break, Invited talk session was started in Mathematics department . Dr.M.R.Ugale Professor , Department of Science and Humanities , Sipna College of Engineering and Technology, Amravati addressed on the topic "Guideline of 2016 for Ph.D." In the lecture, she gave details information of Ph.D. guideline 2016 etc. Dr.S.N.Bayaskar , Associate Professor & Head, Department of Mathematics Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) was in the chair while Dr. P.P.khade,Mr.C.B.Kale,Mr.Kiran Somawanshi ,Ms.Gauri Malani etc were prominently present.

Work for Thesis Presentation Session :-In the first Presentation , Ms.S.B.Deshmukh explain the thesis work Dr.V.G.Mete Professor & Head, Department of Mathematics; Bar.RDIK & KD College Badnera ; Dr.P.P.Khade Associate Professor and Head Department of Mathematics,Vidya Bharti Mahavidyalaya Amravati chaired the session.

In the Second Presentation ,Ms.S.R.Hadole explain the thesis work Dr.M.R.Ugale Professor , Department of Science and Humanities , Sipna College of Engineering and Technology, Amravati and Dr.S.N.Bayaskar ,Associate Professor & Head, Department of Mathematics Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) chaired the session. **In invited Talk Session** Dr.P.P.Khade Associate Professor and Head Department of Mathematics,Vidya Bharti Mahavidyalaya Amravati Kinematical and Geometrical properties of cosmological model. Mr.A.O.Dhore ,Department of Mathematics,Shri.Dr.R.G.Rathod Arts and Science College ,Murtizapur ,chaied the session .In the Paper Presentation Session of first day of workshop, Mr. Kiran Somowanshi ,SSKR innani Mahavidyalaya Karanja Lad present the paper on the topic "Fundamental Tools of Relativity " and Mr.Harshal Nimkar . Dr.Rajendra Gode Institute of Technology & Research Amravati present the paper on the topic Ruban's Cosmological model , Dr.A.S.Nimkar was in chair. After closing the paper presentation session , all participants and guests enjoyed the tasted tea & biscuit.

Second Day:-

In second day of workshop (Jan.11,2024), after breakfast and tea the programme started in Mathematics Department . Dr.S.N.Bayaskar ,Associate Professor & Head, Department of Mathematics Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) delivered thoughtful talk on the topic 'How to Write Thesis' . Dr.A.S.Nimkar Associate Professor and Head ,Department of Mathematics , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur chaired the session while , Dr.M.R.Ugale , Mr.C.B.Kale , Ms.S.R.Hadole. Ms. Vrindra Deshmukh & all PG students of the department were Present.

In Work for Thesis Presentation Session ,

In the first Presentation , Ms.Vrinda Deshmukh explain the thesis work Dr.M.R.Ugale Professor , Department of Science and Humanities , Sipna College of Engineering and Technology, Amravati chaired the session.

In the Second Presentation ,Ms.J.S.Wath explain the thesis work Mr.C.B.Kale Amravati and Dr.S.N.Bayaskar ,Associate Professor & Head, Department of Mathematics Adarsha Science, J.B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon (Rly) chaired the session.

In invited Talk Session Dr.A.S.Nimkar Associate Professor and Head Department of Mathematics, Shri.Dr.R.G.Rathod Arts and Science College ,Murtizapur gave the talk on Bianchi Type Cosmological Model Dr.M.R.Ugale ,chaied the session

In the Paper Presentation Session of Second day of workshop, Mr. A.O.Dhore Department of Mathematics, Shri.Dr.R.G.Rathod Arts and Science College ,Murtizapur present the paper on the topic Dark matter Cosmological Model . Mr.C.B.Kale ,Amravati chaied the session.

Valedictory Function:

Valedictory function was over on January 11, 2024. Dr A.P.Charjan Principal , Shri. Dr. R.G. Rathod Arts & Science College, Murtizapur, was Chairperson. Dr.M.R.Ugale,Dr.S.N.Bayaskar were the guests and Dr. A. S. Nimkar, convener of workshop were also present on the dais. Dr.A.P.Charjan , President of the function gave his presidential speech in which he also advised the students to go to the root of the research to develop interest in research. ACTIVITY REPORT (YEAR: 2023-24)

Name of the Activity: INAUGURAL FUNCTION & GUEST LECTURE ON

Awareness among young generation on Polycystic Ovarian Syndrome (PCOS)

Date: 17-October-2023

Inaugural function of Zoological society organized on 17th October 2023 in Seminar Hall of college at 11.30 AM in hands of **Prof. Dr. Jayashree D. Dhote** , Chairman BOS Zoology, SGBAU Amravati and Professor & Head, Department of Zoology, Shri Shivaji Science College, Amravati. The program was presided over by Honb'le **Dr. A. P. Charjan**, Principal of the college. **Dr. Pravin M. Makode**, Associate Professor and Head, Department of Zoology given introduction of guest and information about activities carries throughout the year under the zoological society. **Ms. Vaishnavi Sarode** was selected as President of Zoological Society and falicited her by offering bucket.

On this occasion madam delivered guest lecture on **"Awareness among young generation on Polycystic Ovarian Syndrome (PCOS)"** especially for girls students of college. Research student from Shivaji Science College Amravati, **Ms. Dhanashri Phakhan** also elaborates the topic for students. In her lecture she focus on PCOD (Polycystic Ovarian Disease) is mostly caused by a combination of hormonal imbalance and genetic tendencies. In a standard menstrual cycle, the two ovaries will alternately release mature, ready-to-be-fertilized eggs each month. For someone with PCOD, however, the ovaries will often release either immature or only partially-mature eggs, which can go on to develop into cysts (little sacs filled with liquid). This also leads to the ovaries swelling and becoming enlarged. Generally, the ovaries release a limited amount of androgens (male hormones) during the cycle - but in this case, the ovaries will start producing androgens in excess, which leads to symptoms like male pattern hair loss, abdominal weight gain, irregular periods, and in some extreme cases, even infertility. Total **66 students** were present for the program from UG and PG classes of Biology group.

Mr. Rajveersingh Chauhan was the anchor for program. **Dr. S. S. Dhande** delivered vote of thanks in this program. **Ms. Amreen Shaikh** and **Ms. Rudrayanee Bobade** took lots of efforts for the conduction of the event successfully.

ONE DAY STUDY TOUR/ EXCURSION AT CHIKHALDARA

REPORT (14 October 2023)

Excursions are arranged to give exposure to students. Field education is equally important as classroom teaching. It adds vigor in learning processes and relieves monotones of indoor education. essential part of Life science students best studied in their natural habitat. These tours also help to build good repo amongst students and teachers. As a part of B.Sc. Curriculum, one-day Study tour was organized by Department of Botany and Zoology, Shri. Dr. R. G. Rathod Arts & science college, Murtizapur Dist.-Akola. Botany & Zoology Students (UG) on Saturday 14 /10/2023 to visit at Chikhaldara. The tour comprised students of B.Sc. I and II (CBZ) accompanied by faculty members, Dr. P. M. Makode, Associate Professor and Head, Dept. of Zoology, Dr. R. P. Shirsat & Dr. P. R. Gulhane Assistant Professor, Dept. of Botany.

All the students were directed together at College at 7.00AM. Principal of the college Dr. A. P. Charjan sir wished all the students best and safe journey. We started our journey at 7.30 o'clock with "Dhanlakshmi Bus Service" and reached at 10 am. at the location with all 41 students (B.SC I & II year) along with faculty members

The study of plants begins with the exploration of surrounding open area at Chikhaldara to study plants in their wild habitat. Exploring flora and fauna, Street area along with great plant diversity, topiary and vertical gardens. We found this place very fruitful in order to study the plant diversity, animal diversity along with concepts of cryptogams and phanerogams. We have walked through the river side, at the waterfall, garden, exploring the flora and fauna. Students were made to identify the plants & insects with their scientific name, family, identifying characters along with their importance. Algae, bryophytes and lichens were collected for study of the algology, mycology study of the syllabus. Some of the flowering twigs have been collected for the study of the families in syllabus. Students have

observed various species of algae, lichens, Butterflies, spiders, insect and coffee plant garden. After the thorough visit, one-hour lunch break was taken and the whole team had a lunch in open garden along with the enjoyment of nature's beauty. Students collected photos of flora and fauna for herbarium preparation under the guidance. The trip successfully inculcated in students the practicality of different theoretical concepts of Botany and Zoology. It was a new, interesting and informative experience for all of us. We visited the river spot as well, in which all enjoyed by singing and dancing. Then, we took group photographs. We departed at 4:00 PM form Chikhaldara, we all had safe and enjoyable journey with lots of information.

Department of Botany and Zoology (Session 2023-24)

ONE DAY STUDY TOUR/ EXCURSION AT SALBARDI

REPORT (20 January 2024)

Excursions are arranged to give exposure to students. Field education is equally important as classroom teaching. It adds vigor in learning processes and relieves monotones of indoor education. essential part of Life science students best studied in their natural habitat. These tours also help to build good repo amongst students and teachers. As a part of B.Sc. Curriculum, one-day Study tour was organized by Department of Botany and Zoology, Shri. Dr. R. G. Rathod Arts & science college, Murtizapur Dist.-Akola. Botany & Zoology Students (UG) on Saturday 20/01/2024 to visit at Salbardi. The tour comprised 31 students of B.Sc. II (CBZ) accompanied by faculty members, Dr. P. M. Makode, Associate Professor and Head, Dept. of Zoology & Dr. R. P. Shirsat Assistant Professor, Dept. of Botany.

All the students were directed together at College at 7.00AM. Principal of the college Dr. A. P. Charjan sir wished all the students best and safe journey. We started our journey at 7.30 o'clock with "Dhanlakshmi Bus Service" and reached at 10 am. at the location with all 31 students (B.Sc. II year) along with faculty members

The study of plants begins with the exploration of surrounding open hilly area at Salbardi to study plants in their wild habitat. Exploring flora and fauna, Street area along with great plant diversity, topiary and vertical gardens. We found this place very fruitful in order to study the plant diversity, animal diversity along with concepts of cryptogams and phanerogams. We have walked through the river side, at the waterfall, garden, exploring the flora and fauna. Students were made to identify the plants & insects with their scientific name, family, identifying characters along with their importance. Algae, bryophytes and lichens were collected for study of the algology, mycology study of the syllabus. Some of the flowering twigs have been collected for the study of the families in syllabus. Students have observed various species of algae, lichens, Butterflies, spiders, insect and coffee plant garden.

After the thorough visit, one-hour lunch break was taken and the whole team had a lunch along with the enjoyment of nature's beauty. Students collected photos of flora and fauna for herbarium preparation under the guidance. The trip successfully inculcated in students the practicality of different theoretical concepts of Botany and Zoology. It was a new, interesting and informative experience for all of us. We visited the river spot as well, in which all enjoyed by singing and dancing. Then, we took group photographs. We departed at 4:00 PM form Chikhaldara, we all had safe and enjoyable journey with lots of information.

गृहअर्थशास्त्र विभाग

सत्र:- २०२३-२४

श्री.डॉ.आर.जी.राठोड कला व विज्ञान महाविद्यालय मुर्तिजापूर येथे गृहअर्थशास्त्र विभागातर्फे पोषण सप्ताह साजरा करण्यात आला. त्यामध्ये वेगवेगळ्याप्रकारे कार्यक्रम घेण्यात आले. त्यात स्लोगन स्पर्धा, पोस्टर स्पर्धा,भरड धान्य ओळख स्पर्धा,धान्याची रांगोळी, पोषण सुंदरी अशाप्रकारचे कार्यक्रम घेऊन राष्ट्रिय पोषण सप्ताह साजरा करण्यात आला.

भारतात दरवर्षी 1 सप्टेंबर ते 7 सप्टेंबर हा राष्ट्रीय पोषण सप्ताह किंवा राष्ट्रीय पोषण माह म्हणून साजरा केला जातो. शारीरिक आणि मानसिक आरोग्याच्या सर्वांगीण विकासासाठी पौष्टिक आहाराचे महत्त्व पटवून देण्याचे उद्दिष्ट आहे. तसेच, फास्ट फूडच्या वाईट परिणामांबद्दल जागरूकता पसरवणे आणि निरोगी खाण्याच्या सवयींना प्रोत्साहन देणे.

१) स्लोगन स्पर्धा :-

स्लोगन स्पर्धा यामध्ये विद्यार्थिनीनी आहार व पोषण यावर आधारित वेगवेगळे म्हणी सादर केल्या. या म्हणी तून विद्यार्थ्यांना" समृद्ध आणि निरोगी भविष्याचा आनंद घ्या, परंतु निरोगी खाण्याची दिनचर्या सुरू ठेवण्यास विसरू नका.", "आरोग्यदायी आहार सर्वांसाठी परवडणारी आहे.", "संतुलित आहार हा मानवी वाढीचा महत्त्वाचा भाग आहे. चांगले अन्न चांगले जीवन!", "तटस्थ जीवन जगण्यासाठी पोषक जीवन महत्त्वाचे आहे." आपल्या आहारातील पोषक तत्वांचा मुबलक प्रमाण हा देवाचा वरदान आहे. आता, देवाच्या निर्मितीचा आदर करणे हे आपल्यावर अवलंबून आहे. अशाप्रकारे संदेश देण्यात आला.

२) **पोस्टर स्पर्धा:-**

यामध्ये विद्यार्थ्यांनी अन्नघटकावर आधारीत पोस्टर बनवून आहार व पोषणासंबंधीत आकलन करण्यात आले.

३) **भरड धान्य ओळख स्पर्धा :-**

यामधून विद्यार्थ्यांना अन्नाचा दर्जा, पोत, स्पर्श ,गुणवत्ता याविषयी जाणीव करण्यात आली.

४) धान्याची रांगोळी :-

धान्याची रांगोळी यातून विद्यार्थ्यांना धान्याचा उपयोग तर खाण्याकरिता होतोच शिवाय ते धान्य व्यवस्थितपणे रचले तर त्यापासून सुंदर कलात्मता देखील सादर होऊ शकते.

५) डिश डेकोरेशन :-

महाविद्यालयीन मुलींच्या आहारामध्ये अनेक अन्नघटकांचा अभाव आढळतो त्यामुळे विद्यार्थ्यांना सकस व पौष्टिक आहार कसा असतो यावर आधारीत महाविद्यालयीन मुलींकरिता समतोल आहार यातून डिश डेकोरेशन सादर करण्यात आले.

६) पोषण सुंदरी :-

या कार्यक्रमामधून विद्यार्थ्यांना अशी चालना मिळते की, सकस व समतोल आहार घेतल्यास शरीर स्वास्थ व्यवस्थीत राहून शरीर तेजस्वी,उत्साही व सुंदर बनते. कुठलाही आजार होऊ शकत नाही.

ACTIVITY REPORT

One Day Workshop on "Leadership Skills", on the Occasion of Dr. S. R. Ranganathan Birth Anniversary.

One day workshop on"Leadership Skills", On 14th Aug. 2023 we celebrated National Librarians Day marking the 131th "Birth Anniversary of Dr. S. R. Ranganathan" and Regular Reader Award (2022-23) on this auspicious moment Chief Guest Shri. D. B. Gite ,Ret. Principal deliver guest lecture on "Leadership Skills" , Dr. Ranjan Kalbande sir, HOD, Dept. Botany, president of this program , Dr. Poonam Gulahne. ,Dr. Amit S.Tankar, Librarian and college student present on this occasion.

Shri. D. B. Gite in his chief guest address, leadership skills are an essential component in positioning executives to make thoughtful decisions about their organization's mission and goals, and properly allocate resources to achieve those directives. Valuable leadership skills include the ability to delegate, inspire and communicate effectively. Other leadership traits include honesty, confidence, commitment and creativity.

Dr. Ranjan Kalbande HOD, Dept. Botany, president of this program spoke on leadership skills can play a large role in a person's career development.

Dr. Poonam Gulahne Dept. Botany spoke on the success and failure of a team ride on the shoulders of a leader. Therefore, leaders should be accountable for their actions and willing to take the blame when mishaps happen. Great leaders take responsibility and devise strategies for improvement instead of pointing fingers and blaming others.

The event was a successful because of the efforts took by the library staff and support of the Principal, teaching and non teaching staff and students.

Report on Essay Writing Competition

Event: Essay writing competition named "Azadi Ka Amrit Mahotasv" conducted on the occasion of **Birth Anniversary of Mahatma Gandhi.**

Date:-03, October2023

The college library organized Essay Writing Competition on the occasion of Birth Anniversary of Mahatma Gandhi: 03th October 2023. Mahatma Gandhi, also known as the Father of the Nation, Bapu or Mahatma, was a political ethicist, nationalist and lawyer. His birth anniversary is right around the corner, and the day is marked with much enthusiasm all across the globe. Globally, the day is also celebrated as the International Day of Non-violence. The objective of essay writing is to celebrate the Azadi Ka Amrut Mahotsav and to get the diverse thoughts of youth on the given topics.

Essay writing competition on "Azadi Ka Amrit Mahotasv" the Overall, 40 students submitted their essay's. Considering these responses, the library selected 3 best essays out of 40 .He selected 3 essays as winners of participants namely:

1. Mr. Suraj B. Yadav (B.A. III) –1st position
2. Mr. Pratik S. Harmakar (B.Sc.. I) –2nd position
3. Ku. Shreya G. Sarode (B.Sc. III) –3rd position

Outcomes of essay writing competition received overwhelming response and participation from college students. Students got a chance to showcase skills, analyze and evaluate outcomes and uncover their thoughts on topics. This essay writing competition particularly enhanced their writing skills.

Activity Report-(SESSION- 2023-24)

Institutional workshop on "Positive thinking & its power" on the occasion "Reading Inspiration Day" Dr. A.P.J. Abdul Kalama's 92th Birth Anniversary Celebration.

A one-day "Institutional workshop on "Positive Thinking & Its Power" was organized by the Central Library, on the occasion "Reading Inspiration Day" Dr. A.P.J. Abdul Kalama's 92th Birth Anniversary Celebration on 16 Oct. 2023 which was attended by 119 college students. The objective of workshop explores what positive thinking is, analyses its benefits and traps, as well as barriers to change. It also identifies the essential components to develop the skill of positive thinking in a way that is effective.

It also provided participants with an opportunity to discuss their concerns and difficulties directly with listening and self-awareness, identify negatives challenge and negative thoughts.

The workshop was inaugurated by Shri. P. N. Thakare, HOD, Department of History, Vasantrao Naik Junior Arts and Science College, Murtizapur.. In his inaugural address, Shri.P.N.Thakare underlined positive thinking is the practice of focusing in the positive side of things and looking for the best in situations and people. It doesn't mean putting your head in the sand and ignoring bad things. Instead, it's about making the best of whatever situation you are in. It's been shown to have significant benefits on people's wellbeing, as well as on other factors including life expectancy.

Mr.V.R. Shrikhande ,Lecturer Department of Chemistry and Mr, A. K. Raut, Lecturer Department of Chemistry also addressed the gathering. Dr. A. S. Tankar Librarian and Coordinator of the workshop welcomed the participants. Faculty members and non teaching staff also attended sessions of their interest.

The event was a successful because of the efforts took by the Library staff and support of the Principal, teaching and non teaching staff and students.
